My dear Brother,

You & Sister Theresa will be glad to learn, that Harriet has another Daughter, born yesterday at about ½ past 10 o'clk A.M. Harriet is very comfortable, more so than usual, and the child is strong & healthy, & weighs 8¾ lbs, We think of calling her Mary. The children are all well.

Elisabeth made us a visit last week & returned to New Haven on Friday. While here, I went with her to Collinsville, to visit aunt Mary, We found her much better in health & spirits, than when I last saw her. Seth is Book Keeper for the Collins Mfg. Co. and is pleased with his situation. They have a small house pleasantly situated, and seem to be very happy.

Love to all. I am affectionately,

your brother

George.
